CruiseCat 40 - 'Cruisecat'

Launched in 2006 the CruiseCat 40 was designed and built for commercial charter. This fantastic Motor Cruiser has 'the lot', including 1F survey, full safety inventory and an ongoing Management Contract with the premier Whitsunday bareboat charter company.

Boasting five spacious cabins and 3 bathrooms this vessel offers comfortable accommodation for up to 12 guests. The spacious saloon with its generous lounge and dining area plus fully equipped galley make this great boat ideal for entertaining.

You will appreciate the speed and handling provided by the highly efficient planing hulls, as well as excellent stability and rough water capabilities, powered by twin Yanmar diesels driving high performance Aquaquad propellers.

This great vessel has far exceeded original projections and with extensive forward bookings the CruiseCat 40 is the perfect investment opportunity. Providing strong potential returns and based in one of the most desirable cruising grounds in the world this is an investment opportunity not to be missed..
